The Rooms

Farmhouse Dining Room

The Pub has three sections.
The Farmhouse Dining Room,
The Main Bar &
The Skittles Alley

Each area has very different seating capacities and offer very different feels to each other, giving you a more tailored choice.

Skittles Alley

Main Bar

We also have a small restaurant room that can be coupled with the Farmhouse Dining Room to give a few extra seats for you and your party.

Farm House Dining Rooms

This room is perfect for small groups up to about 14 people. It gives a warm, relaxed feel and can be very much separated from the rest of the pub to give you the privacy you may need.

This room is ideal for birthdays, family/friends gatherings or meetings.

This room is available on request (FOC) of booking a table for 6+ people.

To the left is the extra restaurant room that can give seating for up to an extra 12-14 people.

This would be an additional charge to the hire.

Main Bar

The bar top is our signature piece in the pub. Made from Ash wood, from the Stock Gaylard Estate, this piece was then carefully put together and finished by a local carpenter keeping the bark on the front edge.

The Main bar area has two seating areas that create a great social atmosphere when filled with people. Each area comfortably sits 8-12 depending on how many are eating.

The main bar can only be hired as part of the whole pub and not as an individual item.

Skittle Alley

Our biggest room on offer and by far the best to have a party. The skittle alley can seat up to 70 people in a fully closed off area. This room is perfect for weddings, wakes, large parties or even for hosting your own business development evening.

The Skittle Alley has its own bar and staged area giving it a much more exclusive feel.

Direct access from the kitchen, allows for quick and efficient food service.

The skittle alley can be used for skittles however this does limit the space available and cannot be changed over easily during a party. We do not recommend hiring for skittles for group sizes over 30.

Whole Pub

It is possible to hire the whole pub for a private function. This would include all rooms and bars with staff to manage and cater to your every need.

A marquee can be ordered however this will be outsourced and charged separately to the hire of the pub.

A marquee can be erected on either the front lawn or field out the back.

The pub also has an on site coffee house (above). This can be included as part of the hire however please let us know in advance. Otherwise it will be assumed that it is not needed and will be shut.

Food & Drink

With a fantastic team of chefs working their talents in our kitchen, we can create a menu with you to the budget of your choice.

The pub menu will be always be available if you would rather.

We can make almost anything requested and can cater for any dietary requirements you may need.

Our ingredients are sourced as locally as we can and may be able to take requests.

We can give you a full choice of drinks. Specially requested drinks can be arranged as long as it can be sourced from our existing suppliers.

A £10/bt corkage fee will apply to any own brought wine
